

AGRUMARIE

Agrumarie Riunite Siciliane was born in Palermo in the 1950s as a business company of Agrumaria Corleone S.p.A. leader in the processing of Sicilian citrus fruit since more than 130 years.

We are one of the first to have introduced fruit concentrates for hotel breakfasts and today we are one of the major player on the Italian Horeca market.

MISSION

Choice of the best Sicilian citrus fruit, search for the best exotic fruit, use of the most modern production technologies, attention to customers' needs and expectations, are our core mission and during the years our business is developing successfully also thanks to our guidelines:

- TERRITORY:** Active engagement to develop and enhance Made in Italy excellence and the valorization of our area, by using local raw material; Italy is a nation of food tradition and culture and Sicily contributes with pride!
- QUALITY:** Care of the products and needs of the clients through a careful selection of the supplier and by choosing the best raw material and the most innovative production methods.
- SUSTAINABILITY:** Respect the environment and the workers by using modern verification system, sustainable energy and recyclable packaging.

TARGET

Versatile and easy-to-use, our product lines are used in hotels, restaurants, bars and ice cream shops, beach club, pubs, discos and wellness center.

Our products are also used in confectionery, cooking, bakery and in the production of craft beer or thirst-quenching beverages and cocktails.

PRODUCTS & BRAND

The company has always been attentive to market demands and new health trends also by developing new products without added sugar and with no colorants. **Fruit is the key ingredient!** Over time, the range of products has expanded to include a large selection of freshly processed top quality juices and semi-finished products for professional use.
